

Welcome, to CTA Sussex Junior Tennis. This form enables you to enrol your child/children in the main Term Time Junior Tennis program.

We are now fixing the cost across all terms going forward from January 2016.

Calculated on the average number of weeks in a term (excluding any camps or tournaments) and the number of sessions per week attended.

You can attend 1, 2 or all 3 sessions per week.

Individual lessons can be arranged and are limited to a maximum of two sessions per week. Please see AJ to discuss the options for this.

Please complete this simplified, form in conjunction with the CTA website. Full details dates, times and costs are found there. Hand it to AJ along with your payment when you next see him, preferably before the term commences.

Any questions should be directed to AJ via

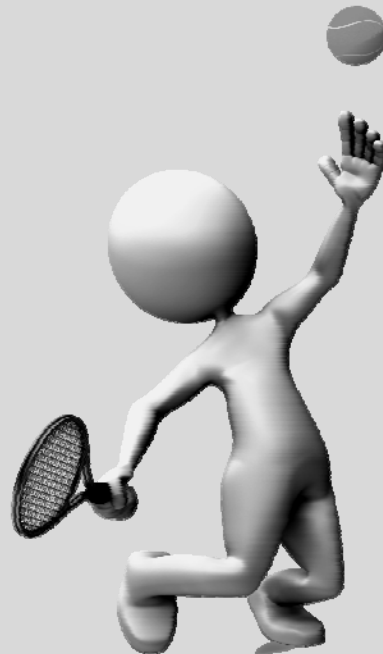

info@ctasussex.co.uk

CTA would like to thank all who attended the sessions during the previous year and continue to support the CTA Junior Tennis Program. Please, spread the word.

We look forward to working with you and many new faces and seeing your children grow, improve and most of all have fun.
